How do i purchase OSHC?

You can arrange to pay for your OSHC online by visiting the OSHC insurers' websites. You retain the right to choose your own OSHC provider even when your educational institution make a specific recommendation because they have negotiated a preferred provider arrangement with a particular insurer.

Your educational institution, may have an agreement with a specific OSHC insurer. You can choose to take out OSHC with your institution provider, or with the Australian OSHC provider of your choice.

At time of enrolment, evidence of the payment of a health cover must be produced otherwise the confirmation of enrolment will not be issued. Students can arrange their health cover by any of the above providers. The college can provide assistance to students as and when required.
