### Accommodation and leaving expenses

An international single student living in Sydney requires approximately AU\$24,505 for living expenses each year (Australian Education International) Note: This figure does not include tuition fees.

Remember that your cost of living in Sydney will vary according to your lifestyle. For example, eating out at restaurants all the time will increase your living costs a lot, as will driving a car (you will have to pay for petrol, registration, maintenance and insurance, as well as the car itself).

### Accommodation options for students:

1. **Homestay** – Homestay services provide an opportunity to stay with an Australian family and experience the Australian culture and lifestyle. If you need a homestay, you need at least 4 weeks before the arrival date to arrange it. Minimum Stay is 4 weeks; for homestay fees please refer to the pricelist, fees includes meals, laundry, your own room and student desk are provided.
2. **Student House** – Student accommodation is located on the outskirts of the Sydney central business district in quiet and leafy suburban streets, only minutes from public transport and local shopping facilities and for about 20-30 minutes average travel time from the heart of the city. All houses are completely furnished with quality inclusions, and equipped with everything that one would need to feel safe and comfortable in a share accommodation, such as:
  - Fully equipped kitchen including fridges, a microwave, a toaster, plates, cups, cutlery and cookware,
  - High speed Internet connection with shared computer for free use and also with wireless option,

three properties prior to making a decision. Many hostels are privately run and as such come under the Rooming House Act. Please note, if the student signs a lease, they are covered by the Residential Tenancies Act.

4. **Apartment/flat rental** varies greatly in cost and conditions. For long term arrangements, it is strongly advised that the student is familiar with the suburb or area. For purposes of bond payment and moving arrangements the student must be available to sign agreements. For this reason international students are advised to secure short term accommodation upon arrival so that flat and apartment hunting may be started after they have settled in and begun to seek out areas they would like to live in.

## ESOS Framework

The following is from information provided by Australian Education International (AEI) ([www.aei.gov.au](http://www.aei.gov.au))

The Australian Government wants overseas students in Australia to have a safe, enjoyable and rewarding place to study. Australia's laws promote quality education and consumer protection for overseas students. These laws are known as the ESOS framework and they include the Education Services for Overseas (ESOS) Act 2000 and the National Code 2018.

Read the ESOS Framework about international students fact sheet or see link;

[https://internationaleducation.gov.au/Regulatory-Information/Documents/ESOSFrameworkfactsheetfinaldraft9May2014\(2\).pdf](https://internationaleducation.gov.au/Regulatory-Information/Documents/ESOSFrameworkfactsheetfinaldraft9May2014(2).pdf)

## Protection for overseas students

As an overseas student on a student visa, you must study with an education provider and in a course that can be found on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) at <http://cricos.deewr.gov.au>. CRICOS registration guarantees that the course and the education provider at which you study meet the high standards necessary for overseas students.

Please check carefully that the details of your course – including its location – match the information on CRICOS.

## Your rights

The ESOS framework protects your rights, including:

- Your right to receive, before enrolling, current and accurate information about the courses, fees, modes of study and other information from your provider and your provider's agent. If you are under 18, to ensure your safety, you will be granted a visa only if there are arrangements in place for your accommodation, support and welfare.
- Your right to sign a written agreement with your provider before or as you pay fees, setting out the services to be provided, fees payable and information about refunds of course money. You should keep a copy of your written agreement.
- Your right to get the education you paid for. The ESOS framework includes consumer protection that will allow you to receive a refund or to be placed in another course if your provider is unable to teach your course.

The ESOS framework sets out the standards Australian education providers offering education services to overseas students must obey. These standards cover a range of information you have a right to know and services that must be offered, including:

- orientation and access to support services to help you study and adjust to life in Australia
- who the contact officer or officers is for overseas students
- if you can apply for RPL (Recognition of Prior Learning) and or Course Credit
- when your enrolment can be deferred, suspended or cancelled
- what your provider's requirements are for satisfactory progress in the courses you study and what support is available if you are not progressing well
- if attendance will be monitored for your course, and a complaints and appeals process.
- One of the standards does not allow another education provider to enroll a student who wants to transfer to another course, but has not completed six months of the final course of study you plan to undertake in Australia. If you want to transfer beforehand you need your provider's permission.
- If you are under 18, to ensure your safety, you will be granted a visa only if there are arrangements in place for your accommodation, support and welfare.

## Your responsibilities

As an overseas student on a student visa, you have responsibilities to:

- satisfy your student visa conditions
- maintain your Overseas Student Health Cover (OSHC) for the period of your stay
- meet the terms of the written agreement with your education provider
- inform your provider if you change your address
- maintain satisfactory course progress
- if attendance is recorded for your course, follow your provider's attendance policy, and
- if you are under 18, maintain your approved accommodation, support and general welfare arrangements.
